# Why join our membership plan?

AT HIGHFIELD DENTAL & FACIAL CLINIC, WE STRONGLY BELIEVE IN PREVENTION RATHER THAN CURE, AND PROVIDING MINIMALLY INVASIVE DENTAL TREATMENTS WHERE POSSIBLE.

We want to work with you to ensure that your dental and oral health is as good as it can possibly be, and we want you to be confident and comfortable when you smile, speak, and eat.

Research has found that people on a monthly dental membership plan are more likely to enjoy better oral health because they visit the dentist and hygienist more frequently, which helps to diagnose problems early. We are pleased to offer bespoke dental membership options to all our patients, because we believe this is the best way to help you maintain healthy teeth and gums.

Following your initial New Patient Examination, your dentist will recommend and discuss the most suitable membership plan for you, based on your dental health needs. **We look forward to welcoming you to our dental family!**
